A Message from the Hudson County Chiefs of Police Association:

The Chiefs of Police Association of Hudson County was established on December 15, 1957 and is made up of Chief Law Enforcement Officers of state, county, municipal and federal authorities who maintain law enforcement operations within Hudson County, New Jersey.

The Association consults with legislative policymakers and the County Prosecutor on issues that affect the quality of life for the citizens of Hudson County. The Association also networks with one another to ensure that the men and women of Hudson County law enforcement agencies have the tools and support they need to carry out their duties in a safe and efficient manner.

The Hudson County Chiefs of Police Association is seeking corporate sponsorship to support our organization. Funds collected will be used to supplement membership dues to promote education and award annual scholarships for academic achievement, provide support for families of police officers killed in the line of duty and support law enforcement officers who perform valorous acts while protecting and serving the citizens of Hudson County.

Should you need additional information, please contact Chief Timothy Griffin at (201) 320-8497. The members of the Hudson County Chiefs of Police Association thank you for your past, current and continued support.

Sincerely,

Chief Dennis Miller - President
